FOUR TRIPLE WINNERS - SEVEN RECORDS

ALEX SCREEN of the Saipan Swim Team led the winners in the last ABC Invitational Meet held at the Agana Pool. Alex not only won the 3 individual events he entered, but he set records in each of those events. TINA CASTRO of the Manukai Swim Team followed Alex closely by winning each of her events and setting records in 2 of those. ANNIE DIERKING (Manukai) won all of hers and tied her own record in the 50 Free. Annie's brother, KURT DIERKING (Manukai), won all 3 of his events. NOBU SCREEN (Saipan), Alex's sister, won 2 of the 3 events she entered and she was able to set records in both of those events. The Screen "brother-sister" combination took home to Saipan 5 new records!

Other swimmers who won of the 3 individual events in which they swam were NICOLLE CROMWELL, DAVID EVANS, PATRICK SAGISI, HOLLIS KIMBROUGH and DONNA YSRAEL, all of the Manukai Swim Team. Patrick set a new record in the 200 IM.

Those swimmers who won 1 event were: AUTUMN COWART (NCS), MATTHEW MARRON (Manukai), JONATHAN SAKOVICH (Saipan) and HEATHER HAGADORN (Manukai).

Ten relay events were held, with Manukai teams winning 6; Saipan, 2; Manhoben and NCS, 1 each. The Manhoben "10 and Under Girls 200 Medley Relay" team continued its strong performance with a time of 3:03.50. The NCS "11-12 Girls 200 Medley Relay" team won with a good time of 2:53.09. See the NCS team in the picture section.

EDITOR'S CORNER

By Tove' Craig

The meet held on February 7, 1981 was the last invitational of 3 since the beginning of the long course season. This meet was a little different for a change, and with a reason. From 8 o'clock (beginning of the meet) to well past 12 noon, swimmers in all age groups swam only the 200 IM! The reason was so that they could improve their times for the upcoming pentathlon. Other events swam were 50 free, back and free relays, but these didn't take nearly as long. As usual, it rained, but our dedicated swimmers pushed on, and we at The Record salute you! BRAVO!

DID YOU TURN IN YOUR ENTRIES FOR THE INTERNATIONAL INVITATIONAL MEET, MARCH 27-28, 1981? IF NOT, YOU ARE LATE!!!!!! SEE MR. LONNIE HAGADORN TODAY.

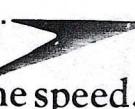

PRESIDENT'S CORNER

Meeting with GASF Board last week was not only interesting but also worthwhile. Mr. Urman, President, has agreed to send a telex to Fiji and Honiara Guadalcanal, Solomon Islands, for more information as to whether swimming will be a featured sport at the Mini South Pacific and at the Oceania Games. He promises to let us know as soon as he hears from them.

Our next swim meet will be March 7, which is the Long Distance Meet. Gorco-Manukai will be hosting the meet, and BOB and ARLINE MAYER will need all the help they can get to start the meet. It will be a long meet, so we do hope that parents will stay as long as they can.

Received a letter from Lt. Col. James Updyke from Okinawa asking to be forwarded our meet schedule for a possible meet that his team could attend. We have sent a reply inviting them to any of our meets. (However, we feel it is too late for the International Invitational Meet on March 27 & 28). We do hope that they will join us in the near future.
