Meyer seeks to make impact as a freshman

By John Wesley Jr.

Freshman Reed Meyer of St. John's School will be taking his hoops talents to the high school hardwood this year.

Meyer, who starred for the Dominican Veritas last year in middle school, will now try to help the Knights become formidable opponents in the Independent Interscholastic Athletic Association of Guam Basketball League.

Meyer said basketball is his favorite sport because of its fast pace. He feels basketball gives him the most opportunities to score, which he admits is a feeling that he loves, although soccer was his first sport. He took the field as a 4-year-old in the Robbie Webber Youth Soccer League.

"I'd like to play college sports and then go on and become a PE teacher and possibly a coach," said Meyer.

In Meyer's spare time he enjoys anything music-related, including singing, playing the guitar and stroking the keys of the piano. He likes to sing jazz music and the likes of Michael Buble and Sinatra. His father often records his performances and posts them on YouTube.

Reed thanks his dad for pushing him to do better in sports. He always does his best to please his father to avoid being yelled at — which he admits he hates — but also for his mom, whom he said is his biggest fan.

"In her eyes I can never do anything wrong."
